Harrogate Cake Decorator Launches New Website

Harrogate cake maker Nicole Snape has launched her designer cake business with a new website.

American born Nicole, who has just launched the new Sweet Dreams Cupcakes website at www.SweetDreamsCupcakes.co.uk bakes designer cakes for weddings, birthdays, anniversaries and corporate events.

Her authentic New England recipe cupcakes are already very popular, and her new range of character and carved cakes including Minnie Mouse, Buzz Lightyear, Hello Kitty and other children's characters are the first available in the Leeds and Harrogate area.

"I love working on bespoke cakes for special occasions, and designing cakes that add a special touch to a birthday or other occasion.

"We can make cupcakes for weddings and parties with special decorations, kid's favourite characters or even hand carved handbag cakes in the shape of handbags, boots, animals, you name it," she added.

media relations and profile

The www.SweetDreamsCupcakes.co.uk website was designed to showcase the range of designs that Nicole now offers, and is regularly updated with new images of handmade cakes all designed for clients in and around Harrogate, North Yorkshire.
