Mercedes-Benz of Sheffield supports GB Women's Volleyball

GB Women's Volleyball is being supported on its sporting journey by Mercedes-Benz of Sheffield which has donated three vehicles to the team to help transport them to training and matches.

The squad is currently based in Sheffield while they train in at venues in the city including the English Institute of Sport, All Saints School and Sheffield Hallam University. Thanks to JCT600's Mercedes-Benz dealership, they will now be able to travel in style via two Viano people carriers and an E-class.

The team recently played and beat, world ranked 17th Peru and will play further games in the UK as part of their summer's preparation including games against Olympic Qualifiers Algeria in Glasgow on the 22 and 23 June. The team includes two local girls, former All Saints student Rachel Laybourne and University of Sheffield graduate Nichola Osborne.

Clive Hammond, brand director of Mercedes-Benz Sheffield, commented: "It's fantastic to have one of the best teams in the world training here in Sheffield. The talent and commitment shown by this self-funded team is truly inspiring and we're happy to be able to help them on their way to further sporting success."
