JCT600 starts redevelopment work at Peugeot Menston and SEAT Menston

Family car retailer JCT600 has started work on a redevelopment of its Peugeot and SEAT dealerships on Bradford Road in Menston as part of an ongoing programme to enhance its dealerships.

Work began at the end of May and is expected to be completed by the end of July. Both dealerships will continue to operate as usual from temporary accommodation, situated in the car park.

Peugeot Menston and SEAT Menston will both undergo a complete interior refurbishment with the aim of improving customers' visit by incorporating the respective brands' very latest retail concepts. In addition, they will both include JCT600's popular kids zone complete with gaming station and iPad plus upgraded hospitality areas and customer seating as well as energy efficient LED lighting throughout.

"We are constantly upgrading our dealerships in line with the brands' newest ideas for enhancing the customer experience. This latest work will enable customers at Peugeot Menston and SEAT Menston to enjoy comfortable and stylish surroundings as well as providing improved facilities whether customers want to work or relax while they're with us," explains Mark Taylor, group property director of JCT600.

Peugeot Menston and SEAT Menston both offer a full range of new and used vehicles as well as service and maintenance facilities.
